### **Captions You Submitted**

- From time to time, in any particular magazine or newspaper, a cartoon drawing or photo *without* a caption will appear and readers are encouraged to submit a caption (words that they feel best describe the situation or circumstance depicted in the cartoon, image or photo).
- When contemplating the chart of the S&P 500 Index, we asked clients to send a word or phrase that came to mind.
- Thank you for all the replies- some of which we've included on the pages the follow.

Nice weekend, to one and all...
